

# **International Symposium on Environmental sustainability**

**November 29, 2022**

**LORETO COLLEGE**

***Internal Quality Assurance Cell***

***W.E. Nature Society & National Service Scheme Society  
in collaboration with***

***LION'S CLUB OF CALCUTTA MAHANAGAR  
present***

***AN INTERNATIONAL SYMPOSIUM ON ENVIRONMENTAL SUSTAINABILITY***

***Theme:***

***Understanding the Importance of Gender Equity in Climate Change***

***Debate:***

***Gender Stereotypes Hinder Green Efforts***

***Date: 29th November 2022. Time: 10:30 A.M. Venue: Loreto College Auditorium***

## **Learning Objectives:**

- To encourage participants to explore and reflect on the manifold ways in which the issues of sustainability and gender intersect with one another, as well as with other related variables such as socio-economic background, ethnicity and age.
- To expand the conversation on climate change beyond conventional limits
- To encourage students to engage actively with strategies aimed at environmental and social sustainability

## Learning Outcomes:

At the end of the session, the students will be able to:

- Understand the importance of environmental sustainability
- Realise how women's health is endangered by climate change
- Recognise the need to unleash the knowledge and capability of women for effective climate change mitigation

## Feedback Report

**Total Number of Participants: 355**

**Total Number of Respondents: 264**
