## Learning Objectives:

- Address the barriers of Gender Mainstreaming and build on the enabling factors
- Highlight gender budgeting
- Identify strategies and actions to ensure that both men and women are taken into account equally at all stages of policy-making

## Learning Outcomes:

At the end of the National Seminar, the students were able to:

- Demonstrate an understanding of gender as it intersects with many variables
- Understand the need for policy changes, gender budgeting and appropriate legislations
- Analyse the ways in which societal institutions and power structures impact gender mainstreaming

## Feedback Report

**Total Number of participants: 145**

**Total Number of Respondents: 100**
