

**5-Day Workshop**  
**on**  
**Research Methodology in Social Science for Advanced Learners**  
**sponsored by**  
**Indian Council of Social Science Research-Easter Regional Centre**  
**Dates: October 9-13, 2023**

**Learning Objectives:**

- Provide skill for data processing and management in excel and other statistical packages and clarity with respect to statistical and interpretation techniques of statistical output
- Furnish a comprehensive review of sources and characteristics of constraints typically found in construction of research design
- Review current trends and practices and researches in regards to constraint modeling
- Develop skill in preparing research reports.

**Learning Outcomes:**

At the end of the session, the participants will be to:

- Write good research reports
- Help the young learners to explore new areas for research
- Apply a range of research methods
- Evaluate the observations and hone the analytical skills

## Feedback Report

Number of Participants: 64

Number of Respondents: 64
