

**Report on Loreto LEADS International Webinar**  
**Loreto Empowerment and Development Series for Students**  
**Go and Fly Towards your Dreams: Overseas Academic Opportunities**  
**June 19, 2021**

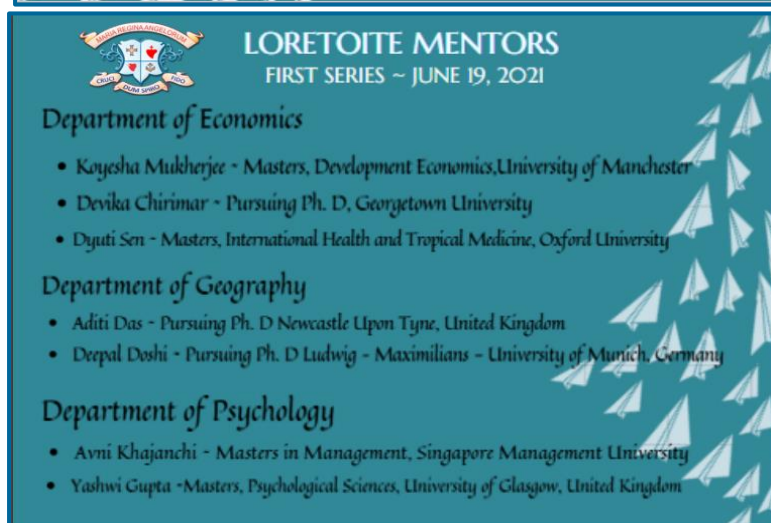

The Internal Quality Assurance Cell of Loreto College under the aegis of the **Loreto LEADS** venture, organized an **International Webinar on Go and Fly Towards your Dreams: Overseas Academic Opportunities** on June 19, 2021.

The Webinar was organized for the Departments of Economics, Geography and Psychology, which was attended by 98 participants, including students and faculty. The resource persons were alumni pursuing higher education from prestigious universities in United Kingdom, United States of America, Singapore and Germany.

#### Objectives of the Webinar

- Share knowledge and build strong relationship between the students and alumni.
- Recognize alumni who have achieved success played a pivotal role across various sectors
- Provide opportunity to benefit from the advice from alumni for academics and future employment prospects
- Highlight the requirements of international universities
- Empower the girls to plan to seek admission in prestigious Universities abroad

**At the end of the Webinar the participants were able to:**

- Comprehend the key features on which a university would grant admission
- Assess the importance of imbining employability skills and internships
- Gain information about admission procedure, scholarships, visa modalities, focus on a realistic Statement of Purpose and how to prepare themselves as a competent graduate
- Evaluate valuable insights and suggestions from the alumnae across the world
