To Whom It May Concern,  
Greetings from South Kolkata Hamari Muskan (SKHM)!

*South Kolkata Hamari Muskan is a frontline, rights-based, anti-trafficking and anti-sexual slavery organisation that works in two red light areas of Kolkata (West Bengal) against second-generation prostitution. It operates in a programmatic way working with children, youths and adults in the red light area through four programs: Pampers (0-6 years); Nurture (6-18 years); Breakthrough (18-21 years) and Dignity (18-65 years). Its focus is on mainstream and alternative education; mental health interventions; nutrition for all and alternative livelihood training.*

Ms Semanti Mukherjee has been part of South Kolkata Hamari Muskan team since September 5, 2019, in the capacity of its Fine Arts Teacher. From March 2021 onwards, she has performed the role of a Psychology Teacher. She teaches two senior students currently in Class XI.

Ms Mukherjee has been one of the most-proactive and enthusiastic teachers at SKHM's Safe Centres. She is an artist who has taught children she's responsible for, to experiment with multiple mediums and express themselves. She has given them autonomy to create as per their rules. She believes in individuality and does not abide by rote learning methods for any class including psychology.

She has devoted her time in taking care of the children sincerely. She believes in face-to-face interactions and is sensitive while working with an extremely vulnerable population. She has been a valuable team player who enjoyed a strong rapport with her team. Ms Mukherjee is an attentive listener, sincere employee and her smiling and positive attitude that has left a mark on her students.

She will be a valuable member of any team that she is a part of.  
We wish her all the best.
