2. Recognize the War Memorials located in different parts of India.
3. Comprehend the significance of our national flag.
4. Analyse the present social and economic scenario after 75 years of Independence.
5. Recall the importance of a more equitable society.

LEARNING OUTCOMES

After the programme, the participants were able to

1. Understand about the importance of celebration of national days.
2. Develop an understanding of War Memorials and their significance.
3. Analyze the importance of our national flag.
4. Realize that Independence Day must be celebrated by all.

DEPARTMENT OF B.ED.
STEAM EXPERIENTIAL LEARNING WORKSHOP
CONDUCTED BY
INTERNATIONAL S.T.E.A.M RESEARCH (ISR)
AUGUST 16, 2022

LEARNING OBJECTIVES

1. Understand the concept of STEAM.
2. Learn the different ways of integrating STEAM learning in traditional classrooms.
3. Analyse the concept of experiential learning.
4. Identify the subjects which can be integrated with STEAM.
5. Comprehend the importance of coding and artificial intelligence in the teaching-learning process.

LEARNING OUTCOMES

After the Workshop and interaction, the participants were able to

1. Learn about the STEAM concept as Science, Technology, Engineering, Arts and Mathematics.
2. Develop an understanding of implementation of STEAM concepts in their own subjects.
3. Analyze the applicability of such concept in real life classrooms.
4. Gain hands on skills in coding and sustainable architecture.

DEPARTMENT OF B.Ed.
STEAM EXPERIENTIAL LEARNING WORKSHOP
CONDUCTED BY
INTERNATIONAL S.T.E.A.M RESEARCH (ISR)
AUGUST 16, 2022

On 16th August, 2022, the Department of B.Ed. of Loreto College, Kolkata, organized a workshop on 'STEAM Experiential Learning' which was conducted by the International S.T.E.A.M Research (ISR) for teacher-trainees from 10.30am to 12.30pm. In order to contribute towards the Sustainable Development Goals of the United Nations, ISR provides programmes based on Science and Technology through the use of Engineering and Artistic processes, based on the principles of Mathematics called STEAM. STEAM represents a paradigm shift from traditional educational philosophy which is based on generalization and standardization of education to a more sustainable and holistic educational philosophy which emphasizes on valuing the learning process as much as the results. The workshop was conducted by Dr. George Panicker and his team and they asserted that the teaching and learning ecosystem model of the present generation must promote invention literacy through innovation, collaboration and cooperation between various institutions, organizations, community networks.

LEARNING OBJECTIVES

1. Understand the concept of STEAM.
2. Learn the different ways of integrating STEAM learning in traditional classrooms.
3. Analyse the concept of experiential learning.
4. Identify the subjects which can be integrated with STEAM.
5. Comprehend the importance of coding and artificial intelligence in the teaching-learning process.

LEARNING OUTCOMES

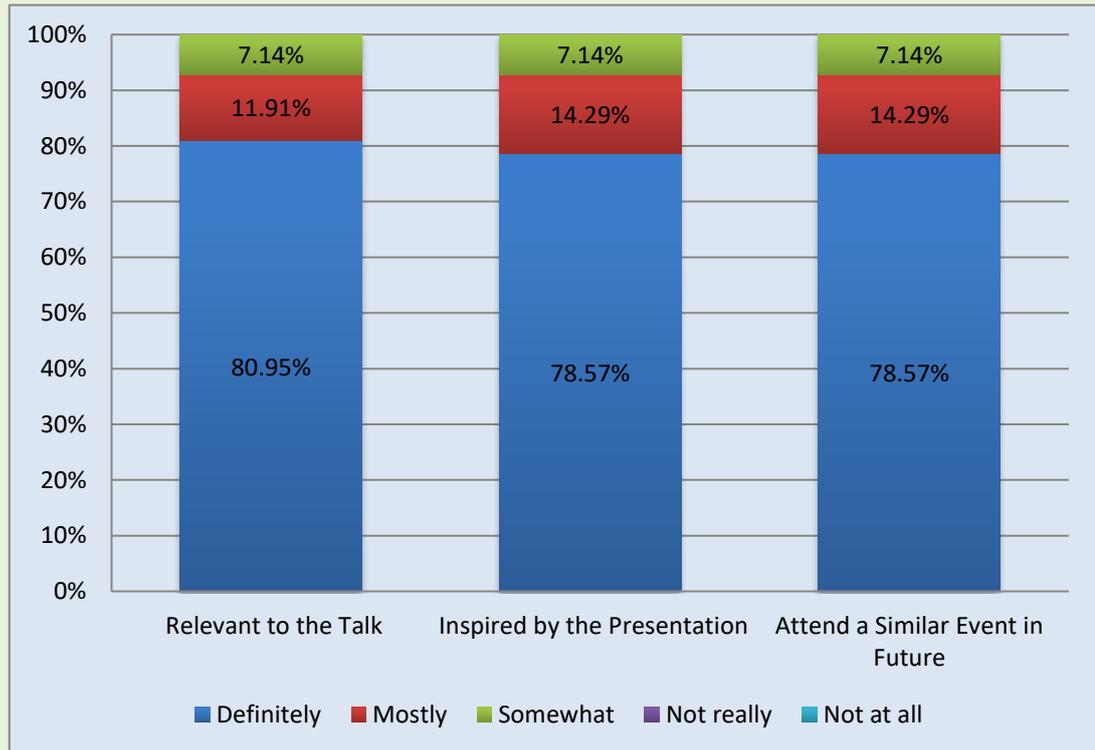

After the Workshop and interaction, the participants were able to

1. Learn about the STEAM concept as Science, Technology, Engineering, Arts and Mathematics.
2. Develop an understanding of implementation of STEAM concepts in their own subjects.
3. Analyze the applicability of such concept in real life classrooms.
4. Gain hands on skills in coding and sustainable architecture.

on
MAHATMA GANDHI AND HIS IDEAS ON EDUCATION: REFLECTION ON NATIONAL EDUCATION POLICY 2020
Date: November 12, 2022
Time: 11a.m.-12.30p.m.
Venue: 4th Floor, Room No: 410

REMEMBERING MAHATMA GANDHI

On November 12, 2022, Saturday, the Department of B.Ed. Loreto College organized a panel discussion commemorating the occasion of Gandhi Jayanti on 'Mahatma Gandhi and His Ideas on Education: Reflection on National Education Policy 2020'. Four teacher trainees namely Sanmohini Routh, Suman K Rawat, Rachana Jash and Sohini Bhattacharya from the First Year of the Department were the panelists and each spoke for twelve minutes on their respective topics. The B.Ed. Semester I and Department of Education, Semester I Honours students attended the programme.

LEARNING OBJECTIVES

- Comprehend the scope and impact of Gandhi's educational thought and philosophy in influencing and achieving the National Education Policy, 2020.
- Understand the effectiveness of National Education Policy, 2020.
- Explore the practical strength of the Gandhian model of self-reliance in the context of education.

LEARNING OUTCOMES

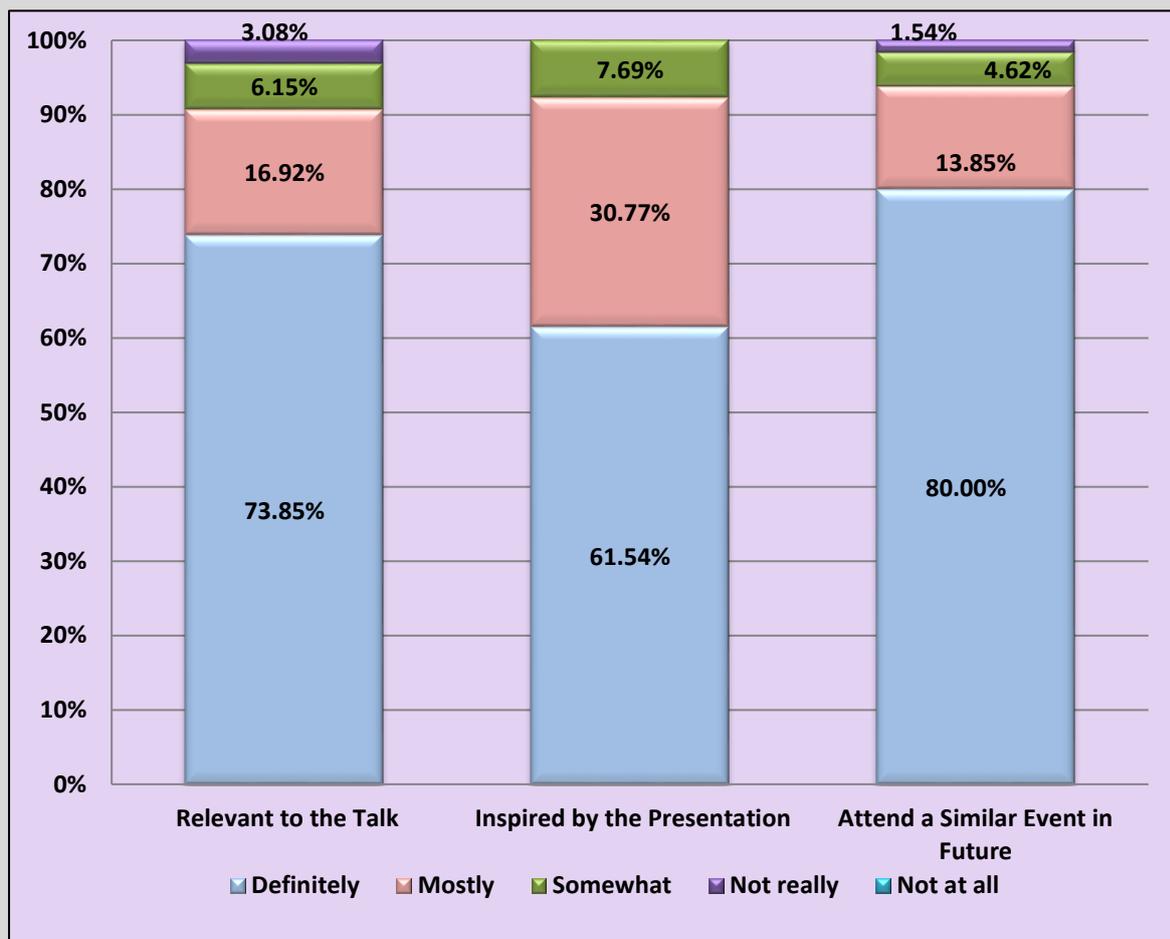

After the end of panel discussion, the participants were able to:

- Critically evaluate the scope of Gandhi’s educational thought and philosophy in influencing and achieving the National Education Policy, 2020.
- Identify the effectiveness of National Education Policy, 2020.
- Understand the Gandhian model of self-reliance in the context of education.

Report on

Commemoration of National Education Day with a Special Lecture and Book Release.

Date: November 24, 2022

The Departments of Education and B. Ed. of Loreto College, Kolkata, commemorated National Education Day, 2022, with an invigorating lecture and a book launch by the Department of Education. The chief guests were Mr. Barry O'Brien and Mrs. Denise O'Brien. Mrs. Sukanya Mullick began the programme with the welcome speech, which was followed by the lighting of the lamp. Sister Christine Coutinho, Principal of Loreto College, welcomed the gathering and offered a prayer.

Mr. O'Brien, one of India's leading quiz-masters, motivational speaker and notable educationist, discussed the changing role of educators as facilitators of learning. Through his speech, he demonstrated the various skills of effective teaching, drawing examples from his life and experiences. While stressing on the importance of making education relevant for the learners, the speaker encouraged educators to provide vocational training in order to prepare them for the challenges of life.

Mr. O'Brien emphasized the importance of observation and perseverance for being an educationist. He mentioned how Christian missionary schools and Anglo-Indian schools focus on character building. Such a vision is the need of the hour since India's education system has become highly business-oriented. Mr O'Brien encouraged the young audience with the purpose of making a difference in society, and being a unique individual, capable of independent critical thinking.

Dr. Neeta Dang then introduced the book to the audience. She highlighted the many contributions by various educators for this publication, bringing to the fore the essence of education and the need for Creativity, Aims and Technology in Education. Gleanings is an anthology of articles emphasizing the evolution of education and teaching via the transformative nature of Jesuit education, enhancement of the self through education, and how liberalization and the post-truth world have impacted education and our lives.

The event ended with a Vote of Thanks put forward by Dr. Dang and the official book launch by Sr. Coutinho and Mr. And Mrs. O'Brien. The students were once again reminded of the place education has in their life, having learnt effective ways to facilitate the development of young minds.

Learning objectives:

- Understand the true essence of the National Education Day.
- Understand the need for education for all
- Analyse the extent to which effective teaching learning is taking place in present-day classrooms.
- Develop knowledge and skills essential to become effective facilitators for students.

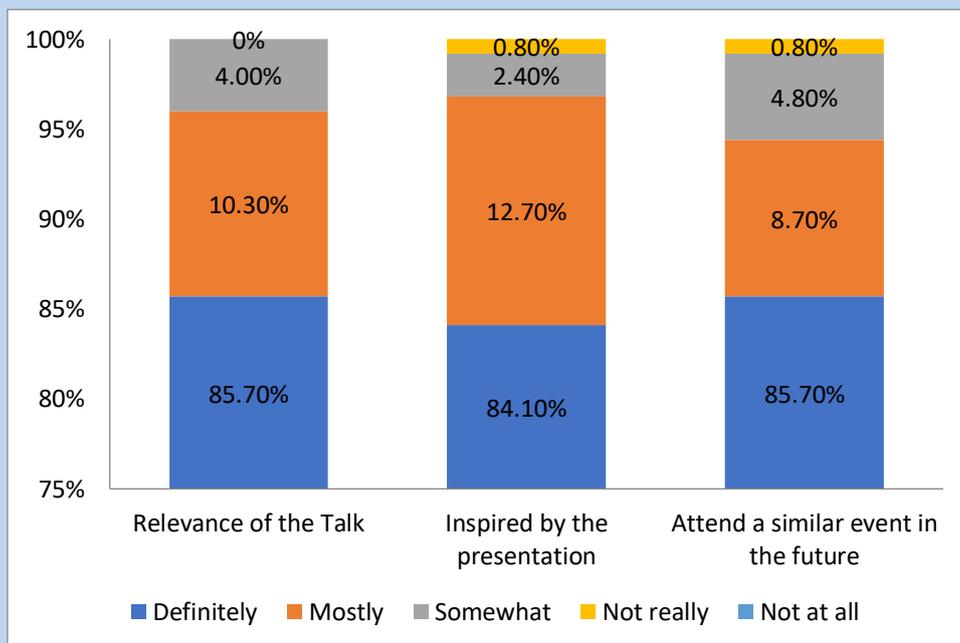

Learning outcomes:

- Participants reflected on the true essence of the National Education Day.
- Developed awareness about the need for education for all
- Reflected on the extent to which effective teaching learning is taking place in present-day classrooms.
- Developed knowledge about skills essential to become effective facilitators for students.

A SPECIAL LECTURE ON 'THE PLACE OF A CHILD IN NATIONAL AND INTERNATIONAL LAW: A HUMAN RIGHTS PERSPECTIVE'

BY DR. DEBOLINA SARKAR

Date: December 16, 2022

On December 16, 2022, Friday, the Department of B.Ed. Loreto College organized a Special Lecture by Dr. Debolina Sarkar on “The Place of a Child in National and International Law: A Human Rights Perspective” in association with Internal Quality Assurance Cell which was presented in a blended mode and was attended by the students of the Department of B. Ed. of Loreto College, Kolkata as well as participants from Patna Women's College (Autonomous), Patna, St. Ann' College of Education (Autonomous), Secunderabad (B.Ed. College), Mount Carmel College of Teacher Education for Women, Kottayam (B.Ed. College), St. Ann's College of Education (Autonomous), Mangalore and Jesus and Mary College, New Delhi (composite with D.El.Ed.).

LEARNING OBJECTIVES

- Recognize knowledge of right and freedom as a fundamental tool in guarantying respect for the rights of all.
- Uphold the idea that every child has certain inalienable rights which derive their legitimacy and authority from being human.
- Developing respect and understanding of human rights and fundamental freedom.

- Reiterate that child by reason is entitled to special care, assistance, special safeguards and legal protection.

LEARNING OUTCOMES

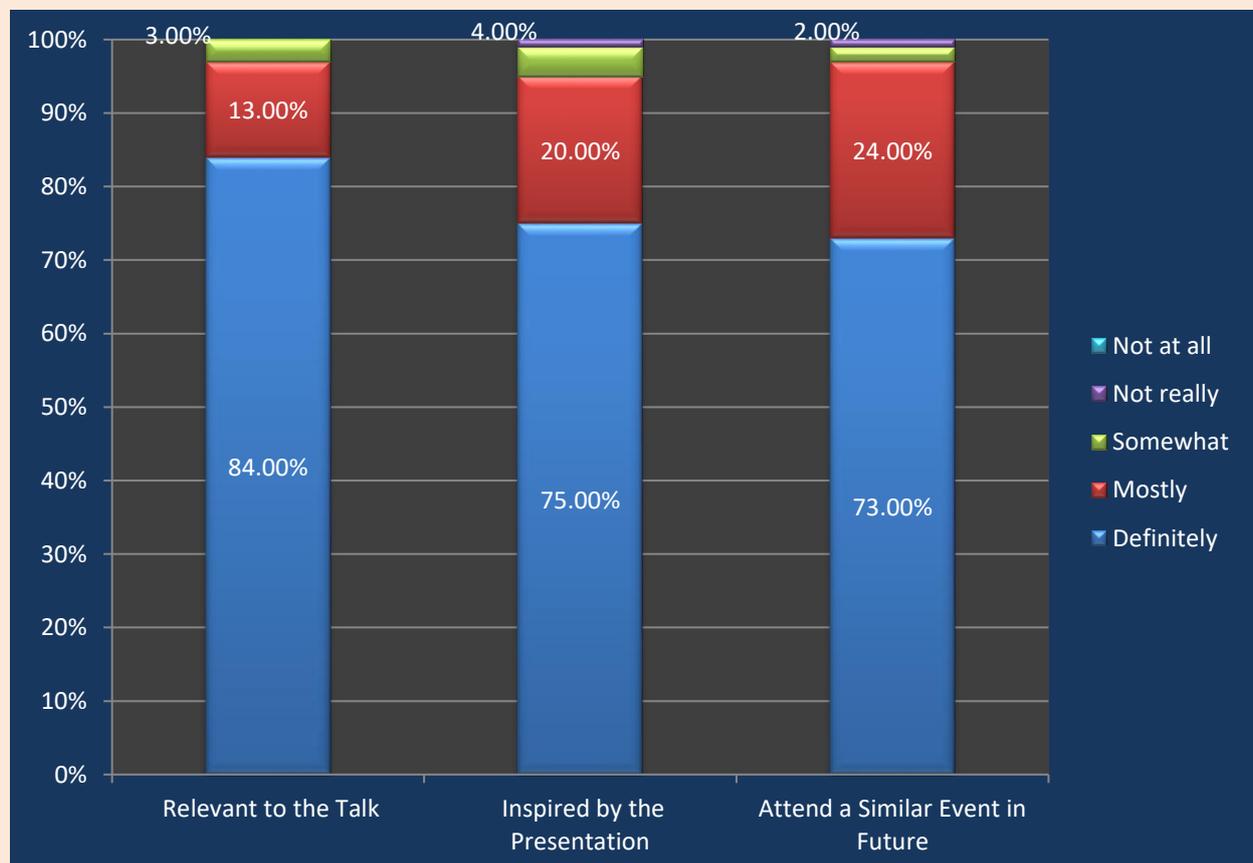

After the end of programme, the participants were able to:

- Critically evaluate the need to treat children with dignity, humanity and uphold all legal standards and human rights principles within the school set-up.
- Realize that strategies for integrating Human Rights Education within the curriculum need to be developed.
- Strengthen respect for human rights and facilitate greater engagement with human rights among students and teachers.

Report: A Special Assembly Commemorating International Women's Day

Date: 6th March 2023

On this occasion of International Women's Day, the B.Ed. Department of Loreto College organized a Special Assembly on International Women's Day at the Rainbow Home of Loreto Day School, Bowbazar on 6th March, 2023.

The program began with the lighting of the candle followed by readings from the holy Gita, Quran, and Bible based on love and respect for humanity. It was followed by a Group song, 'We can Achieve'.

Through poem as (*Still I Rise* by Maya Angelou, *Nari Shakti* by Aditi Angel, and *Nari Divas* by Nilanjana Ghosh) in English, Hindi, and Bengali recited by the teacher-trainees the children learned how to strive towards their goals and become independent and empowered.

The role of women in the 21st century was further discussed and five successful women were profiled -- Greta Thunberg, Archana Soreng, Tanya Daga, Priyanshi Somani, and Abhijita Gupta. The special assembly would have been incomplete without mention of the numerous achievements of women in the sphere of sports. Women have started to share space in the male-dominated arena of sports. Anjum Chopra, Mithali Raj, P.T. Usha, Mary Kom, Sania Mirza, and Mirabai Chanu were sports women of conversation.

The Rainbow students thereafter shared in song and dance their experiences of whom they regard as role models, and what makes them happy and keeps them motivated.

The Special Assembly helped create awareness among the students of Rainbow Home of the need to celebrate womanhood. It motivated them that they too can work hard and realize their dreams just as the acclaimed women achievers discussed earlier. The assembly was successful in enabling the students understand the importance of representation and empowerment of women.

The Department of B.Ed., Loreto College, Kolkata

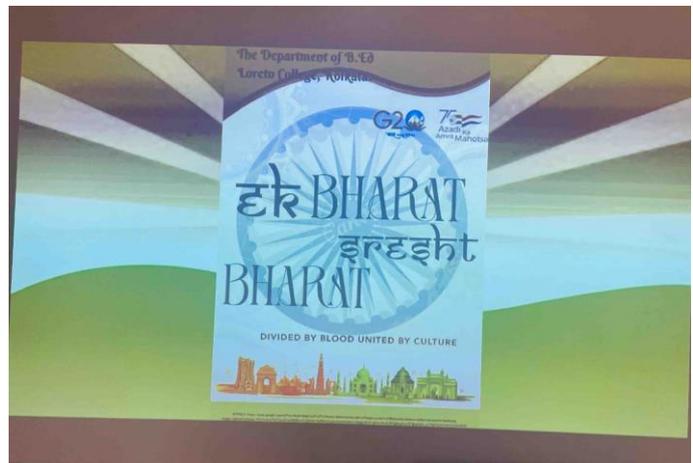

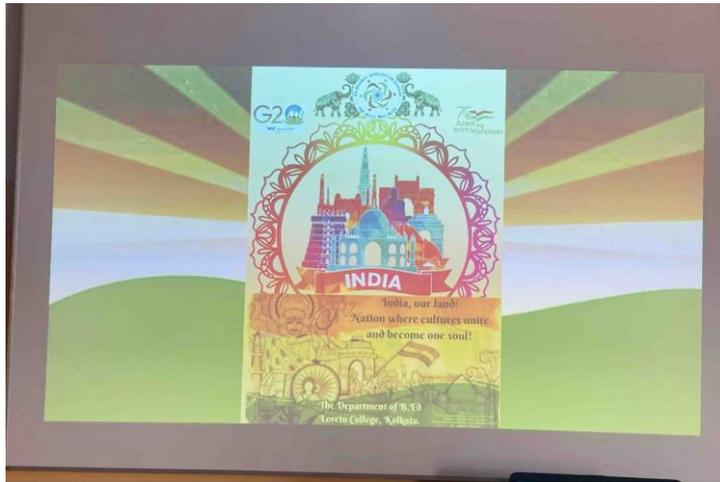

Report: Poster Making Activity on 'Ek Bharat Shreshtha Bharat'

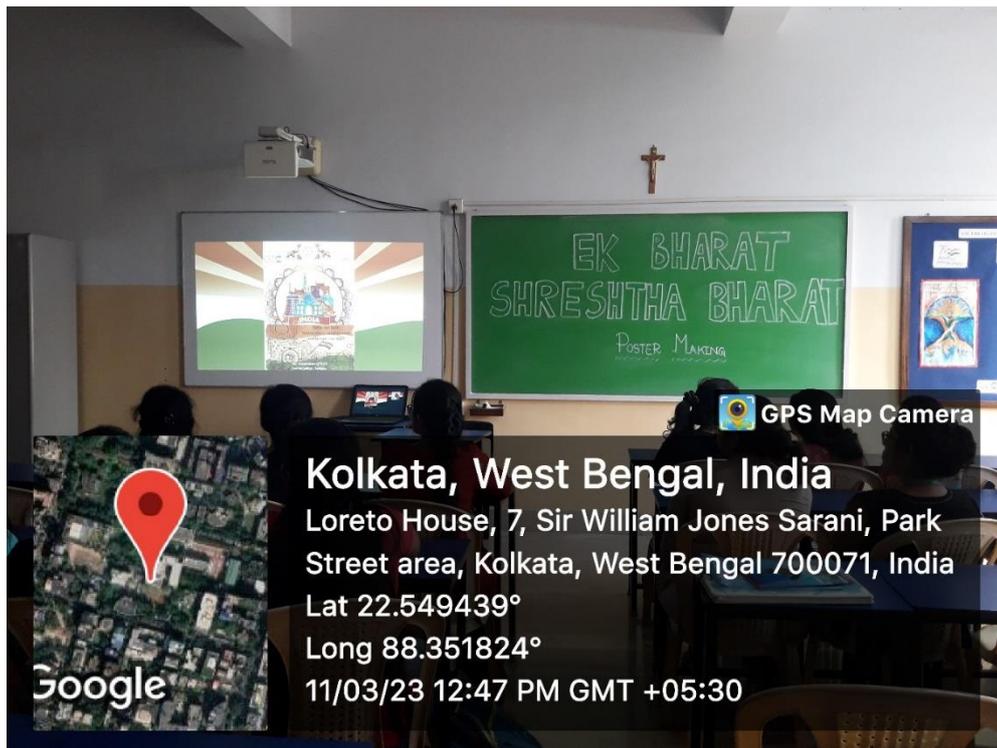

Date: 11th March 2023

On 11th March, 2023, a Poster Making activity was organized by the B.Ed. Department of Loreto College, Kolkata based on the theme, 'Ek Bharat Shreshtha Bharat' depicting the social, cultural, religious, regional diversity of our country which creates national identity. Both digital and hand-made posters were prepared by the Semester IV students group-wise of the department and presented before the faculty members and the students, of which three vibrant digital/e-posters and two hand-made posters were displayed.

The main goal of "Ek Bharat Shreshtha Bharat" initiative is to create realization of an integrated country where individuals from different states and Union Territories better understand and accept each another for which people across the nation carry out meaningful activities to encourage exchange and interaction in areas like language learning, culture, traditions, music, sports, tourism, cuisine, etc. The posters created by the students had the 'Ek Bharat Shreshtha Bharat' slogan and each one of them focused on a particular area.

One of the hand-made posters titled 'Making India Play' reinstated how sports is a unifying force that brings the entire nation together. Rising above caste, creed, sex, religion, region and language, the achievements of Neeraj Chopra, P.V. Sindhu, Mirabai Chanu, Bhavina Patel, U-19 Women's Cricket team make the country proud beyond measure. The strength of India in the arena of sports resonates the world over. The other hand-made poster focused on India as a secular nation. The harmonious coexistence of all major religions in India is its greatest treasure; herein throughout the practice of tolerance contributing to the nation's rich cultural heritage. The digital/e-posters showcased the socio-cultural diversity of the country and how the nation acts as a melting pot for multifarious lifestyles beliefs and culture.

The Department of B. Ed., Loreto College, Kolkata

Report: Workshop on First-Aid and Health Education Organised by the Institute of Preventive Awareness (IPA), Kolkata

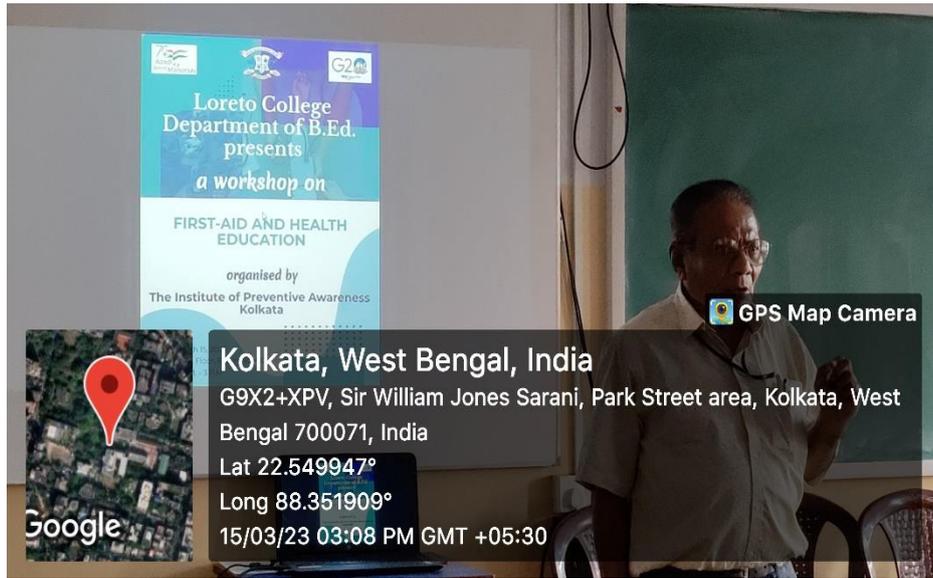

Date: 15th March, 2023

The first-year students of the Department of B. Ed., Loreto College, Kolkata, attended a workshop on 'First-Aid and Health Education' on 15th March, 2023. The workshop was organised by the Institute of Preventive Awareness (IPA). Mr. Pradip Mondal and Mr. Chandan Mitra, the two resource-persons spoke on various common situations where first aid may need to be urgently administered before the injured person can receive proper medical care.

The students learnt about the various pressure points in the body to control bleeding. They volunteered to be part of an exercise where they were taught the tourniquet method of tying a bandage. Interactive methods were used to demonstrate responses to a person suffering from a shock or lowered oxygen concentration, wounds, fractures, burns, or snake bites. Ice water was stated to be the most effective means to treat burns. The students were also explained as to what vaccine was to be administered in case of snake bites. The first part of the workshop ended with an interactive session where the students formed pairs to practice tying a triangular bandage in various ways for fractures.

The second part of the workshop focused on a discussion of healthy foods and practices to follow to prevent diseases such as diabetes, hypertension, and osteoporosis. The workshop concluded with an emphasis on the relevance of meditation in our stressful lives through a guided short meditation accompanied by soothing music.

The students are grateful to Mr. Mondal and Mr. Mitra from the Institute of Preventive Awareness, Kolkata for conducting this interactive workshop which helped the teacher trainees learn essential life skills.
