

ANNUAL QUALITY ASSURANCE REPORT OF IQAC (B.Ed Dept) 2006-2011

PART A: Same for all years.

The B.Ed. Training course in Loreto College is a continuous effort at enhancing excellence in teacher education emphasizing to create excellence and quality, ensuing flexibility, integrating existential situations and change. The specific goals of the Department are promoting learning to learn, to know, to do, to live together, to be, integrating life skills, critical thinking, creativity, values, social skills, decision making and leadership qualities. The B.Ed. Department encourages innovative teaching methodologies and techniques and enhancing effective communication skills.

Outcome: Achieved the above

PART B:

**Activities reflecting the goals and objectives of the Institution!
Department** same for all years

1. Achieved excellent results-Calcutta University B.Ed. Examination
2. The teacher trainees are sought after and get immediate placements.
3. Use of educational technology-ICT is used extensively and intensively in curricular transaction process by both faculty members and student-trainees. Students adopt technology in practice teaching, classroom transactions, evaluation and preparation of teaching aids.
4. Paper presentations.
5. Micro teaching- extensive and intensive, to ensure teacher effectiveness in class teaching.
6. Self assessment of practice teaching.
7. Simulated teaching- preparation and demonstration of skills of introducing, questioning, explaining, blackboard, reinforcement and closure of lessons. Component tasks are identified and assessed for all subject methods.
8. Special activities held throughout the course for exposure to aspects of life well beyond the requirements of the syllabus and examinations.
9. Value Education-regular classroom application.
10. Remedial teaching.
11. Enrichment for the student trainees with potential

Innovations in Curricular Design and Transaction

Same for all years

1. Special activities conducted throughout the course included presentations by resource persons on issues well beyond the syllabus.
2. Value Education classes held.
3. Community Outreach activity Project reports. Although it is a syllabus requirement for the B.Ed. course, yet the number of days and hours spent by each student is well beyond the Calcutta University requirement. Such experiences expose the students to respect rights for all, social cohesion, cultural diversity and ethical values.

4. Weekly, individual and group wall magazines till practice teaching session helps to nurture talent.
5. Active engagement in learning through-demonstrations, PowerPoint presentations, group discussions, peer teaching, peer evaluation, use of ICT, preparation of learning materials, community service, value education craft projects, prayer assembly, cultural programmes, department picnics etc
6. Students shoulder much responsibility in commitment to quality programme.
7. Use of ICT in teaching-learning transaction
8. Remedial Teaching for the weak students and enrichment for students with potential is done individually by all teachers.
9. The faculty and students attended a programme to celebrate International Women's Day on 8th March and International Human Rights Day on 10 September.
10. Students participate in National seminars, Inter-college Debates and Quizzes.

Improvements in the Library Services

Same for all Years

New books, CDs, added, LIBSYS 4 Software provided

New books/Journals subscribed and their Value:

To be furnished by the Librarian

Courses in which student assessment of teachers is introduced and the action taken on student feedback

The institution follows a faculty appraisal process through student appraisal of teachers. These appraisals provide feedback to each faculty member. The original appraisal is given to the teacher who then analyses the student appraisal of her performance. The Principal discusses the appraisal with her thus leading to self initiated improvement.

Technology Upgradation:

Laptop and Projector given to each Department with CPE fund

Computer and internet access and training to teachers and students

1. Free internet Services and computer facilities to all
2. A separate Computer Laboratory for B.Ed. Department students in addition to access to General Computer Laboratory
3. Compulsory Computer Course for all B.Ed. students

Financial Aid to Students

Socially and Economically Challenged students are provided with financial aid and canteen meals

Activities of the Guidance and Counselling Unit

A Professional Counsellor provides counseling to all students.

Teachers regularly guide and counsel students and this relation is much appreciated by students.

Placement Services provided to students

Various schools of Kolkata and rest of India write to the Principal regarding vacancies and suitable candidates in consultation with the Head of B.Ed. Dept and Method teachers is sent by the Principal to the schools. B.Ed. students receive placements often before declaration of the University Examination results. B.Ed. students of Loreto College are much sort after by schools.
